Senor Marshall's Premium Margaritas

Happy Cinco de Mayo!

2 Parts tequila

1 Part lime juice ~ 4 med. limes squeezed = about ½ cup.

You may want to make this a larger “part.”

Suggest buying a bag of limes or even plant your own tree!

1 Part agave nectar

Pour over a couple of ice cubes.

That's it! No bottled margarita mix. Give it a try, they are *delicioso!*
